Luanne Stevenson

(Professional Biography)

Luanne Stevenson has extensive consulting, coaching, and training experience at all levels of the organization. Her mission is to provide customized solutions for building high performing teams and organizations. Her clients include Fortune 100 companies and the public sector as listed in the attached.

In combining her high level of energy, facilitating and training expertise, Luanne has successfully improved the leadership of these organizations resulting in the completion of business initiatives and improved operational results.

Throughout her career Luanne has been successful in incorporating a blended approach to learning in the design of her programs. This includes classroom training, interactive webinars, action learning, 360 assessments, mentoring and coaching. Her facilitation style is both inspiring and educational. She provides interactive exercises designed to inspire action and actively involves participants in the training process to deepen their learning.

As a Career Coach, she supports individuals interested in career transition strategies. Her comprehensive coaching approach incorporates Meyers Briggs Type Inventory, Emotional Intelligence, DiSC Personal Profile and Strengths Finder 2.0.

Luanne has a Masters of Arts degree in Management and a Bachelor of Arts degree in Organizational Communication. She is a recipient of the YMCA Women of the Year, held elected office for the Institute of Management Consultants (IMC) and the American Society for Training and Development (ASTD).

She is a faculty member at American Management Association (AMA), Brandman (Chapman) University, and University of California Extension, Davis, and was profiled in *Training Magazine* featuring her success as a Training and Development Executive and is completing a book entitled "Hire Slow Fire Fast."

Most recently, she was a contributing author to "Roadmap for Success" with Deepak Chopra and Ken Blanchard available on Amazon.com.
